

# Adatból versenyelőny?

*Data-Driven Competitiveness*

Vajda Lehel | Cloudera Hungary Kft

Account Manager for Central and Eastern Europe

# Cloudera Snapshot

Market	The modern platform for data management and analytics
Enterprise-Grade	700+ enterprise subscription software customers
Largest Ecosystem	2000+ partners
Global Scale	Operations in 29 countries, 24x7 global support, education
Open Source Innovation	Leading developers & contributors to Hadoop community
Employees	1,400+
Funding-to-Date	\$900 million (Intel, Accel Partners, Institutional Investors)
Founders	
Headquarters	Palo Alto
European R&D Center	Budapest, Hungary

# Hadoop is driving board level initiatives

DRIVE CUSTOMER INSIGHTS

Icon representing customer insights: a circle with two people silhouettes and a refresh arrow.

IMPROVE PRODUCTS & SERVICES EFFICIENCY

Icon representing efficiency: a white wireless router with signal waves.

LOWER BUSINESS RISKS

Icon representing risk: a white warning triangle with an exclamation mark.

Modernize Data Architecture

# Hadoop: Transforming Enterprise Data Architecture

## Explosion of new data

Designed for 3Vs of new data  
Native security  
Significantly lower cost

## Data-driven enterprises

Multiple analytic engines  
Agile development tools  
Extremely fast performance

## Open architecture

Rapid innovation  
Large ecosystem  
No vendor lock-in

# Use Case - Network Optimization

- Data Sources
  - Network traffic
  - Information on network routes
  - Quality of service
  - Demographic data
- Business Results
  - Predict future traffic growth in specific markets and regions
  - Identify areas where the network is oversized or undersized
  - Identify areas where traffic growth could deliver additional sales opportunities

**Which customers used the most data last month?**

**How can we improve this customer's journey with our brand, across all channels?**

**cloudera**

The SFR logo consists of a solid red square with the letters 'SFR' in white, bold, sans-serif font centered within it.

**SFR**

SFR delivers a  
**360-degree view** to  
optimize the  
customer journey.

**cloudera**

How much energy did you use last month?

How can we conserve energy?

OP@WER

Opower uses big data to help consumers save \$320 million in utility bills

cloudera

## TRAVEL

- » CUSTOMER EXPERIENCE
- » INTERNET OF THINGS
- » ADVANCED ANALYTICS

- To improve traveler satisfaction and safety, a European needed to reduce downtime for critical operational machines
- Cloudera Enterprise in the Cloud captures and correlates sensor data with transactional data to proactively assess the health of its machines and deliver necessary fixes to prevent failure

cloudera
